

Are You Ready?

Are you ready

Are you ready

Are you ready

Are you ready

Sweet apple pie

Standing in the street

Hands outta line

Looking for some meat (heat?)

She take you high

When you feel her sting

She make you fly

And you know you're coming

Who all need it - who

Who all need it - you

Who all need it, who all need it (yes you do)

You all breathe it, we all need it

Are you ready for a good time

Then get ready for the night line

Are you ready for a good time

Then get ready for the night line

Are you ready for a good time

<2 riff>

She making eyes

At everything she meet

Ain't it a crime

When she make you pump heat

She make you fly

Because that's her thing

She make you dry

And you know you're broken in

Who all need it, who all need it (Yes you do)

You all breathe it, we all need it

Are you ready for a good time

Then get ready for the night line

Are you ready for a good time

Then get ready for the night line

Are you ready for a good time

Get with it

<Lead Break>

Who all need it, who all need it

You all breathe it, we all breathe it

Are you ready for a good time

Then get ready for the night line

Are you ready for a good time

Are you ready for a good time

Are you ready

Are you ready for a good time

I want a good time

Are you ready for a good time

Are you, are you ready

Are you ready for a good time

Good, good, good, good time

Are you ready for a good time

Are you ready, ready, ready

Are you ready for a good time

Are you ready for a good time
