

Satellite Blues

She make the place a-jumpin'
The way she move around
She like a rump and rollin'
That's when she get it out
And when she start a-rockin'
She bring me to the boil
She like to give it out some

New satellite blues
New satellite blues
New satellite blues
New satellite blues

A picture clear for watchin'
The dish is runnin' hot
The box is set for pumpin'
She gonna take the lot
The way she get the butt in
She's gettin' set to ball
I like to chew it up some

New satellite blues
New satellite blues
New satellite blues
New satellite blues, yeah, yeah

New satellite blues

New satellite blues

New satellite blues

New satellite blues

Can't get nothin' on the dial

The frigin' thing gone wild

All I get is the dumbed down news

New satellite blues

New satellite blues

New satellite blues

New satellite blues

New satellite blues

I got new satellite blues

New satellite blues

New satellite blues

New satellite blues

This thing not allowed here

I'm gonna send it right back

You can stick it where it hurts, Mac

Oh, yeah

I got the new satellite **<pause>** blues
