

# Who Made Who

(4x) w/echo

The video game says play me  
Face it on a level but it takes you every time on a 1 on 1  
Feeling **running down your spine**  
Nothing gonna save your one last dime  
Cause they know you  
Through and through

The databank knows my number  
Says I gotta pay cause I made the grade last year  
Feel it when I **turn the screw**  
Kicks you round the world,  
There ain't a thing that it can't do  
Do to you, yeah

Who made who, who made you  
Who made who, ain't nobody told you  
Who made who, who made you  
If you made them and they made you  
Who picked up the bill, when who and who made who  
Yeah  
Who made who, who turned the screw  
Yeah

<**Lead Break**>

Yeah satellite send me picture  
Get it in the eye, take it to the wire

Spinning like a dynamo  
Feel it going round and round  
Running out of chips, you got no line in an 8-bit town  
So don't look down, no

Who made who, who made you  
Who made who, ain't nobody told you  
Who made who, who made you

If you made them and they made you  
Who picked up the bill,  
When who and who made who...

<Gtr Bend>

Ain't nobody told you,  
oh,  
who made who

<Gtr Bend>

Who made you,  
who made who (Who made who)  
And who made you (Who made who)  
Yeah

<Lead>

Nobody told you
