

Who Made Who

(4x) w/echo

The video game says play me
Face it on a level but it takes you every time on a 1 on 1
Feeling **running down your spine**
Nothing gonna save your one last dime
Cause they know you
Through and through

The databank knows my number
Says I gotta pay cause I made the grade last year
Feel it when I **turn the screw**
Kicks you round the world,
There ain't a thing that it can't do
Do to you, yeah

Who made who, who made you
Who made who, ain't nobody told you
Who made who, who made you
If you made them and they made you
Who picked up the bill, when who and who made who
Yeah
Who made who, who turned the screw
Yeah

<Lead Break>

Yeah satellite send me picture
Get it in the eye, take it to the wire
Spinning like a dynamo
Feel it going round and round
Running out of chips, you got no line in an 8-bit town
So don't look down, no

Who made who, who made you
Who made who, ain't nobody told you
Who made who, who made you

If you made them and they made you
Who picked up the bill,
When who and who made who...

<Gtr Bend>

Ain't nobody told you,
oh,
who made who

<Gtr Bend>

Who made you,
who made who (Who made who)
And who made you (Who made who)
Yeah

<Lead>

Nobody told you
