

For Those About To Rock

yeah, yeah, oh yeah

We roll tonight, To the guitar bite

Yeah yeah, Oh!

Stand up and be counted

For what you are about to receive

We are the dealers

We'll give you everything you need

Hail, hail to the good times

'Cause rock has got the right of way

We ain't no legend, ain't no cause

We're just livin' for today

For those about to rock, we salute you

For those about to rock, we salute you

We rock at dawn on the front line

Like a bolt right out of the blue

The sky's alight with a guitar bite

Heads will roll and rock tonight

For those about to rock, we salute you

For those about to rock, we salute you

For those about to rock, we salute you, yes we do

For those about to rock, we salute you

Oh, salute

We're just a battery for hire with a guitar fire

Ready and aimed at you
Pick up your balls and load up your cannon
For a twenty-one gun salute

For those about to rock, fire, we salute you
Oh, for those about to rock, we salute you
Those about to rock, fire, we salute you
Fire, we salute you
Weeeeeeeee ssssssssalute youuuuuu, c'mon

For those about to rock, we salute you
For those about to rock, we salute you
For those about to rock, we salute you
For those about to rock, we salute you
Shoot! Shoot!
Shoot! Shoot!

For those who give, for those who take
Those on the line and those on the make
We salute you, yeah
We salute you
We salute you
We salute you
Fire!
