

## Are You Ready?

Are you ready

Are you ready

Are you ready

Are you ready

Sweet apple pie

Standing in the street

Hands outta line

Looking for some meat (heat?)

She take you high

When you feel her sting

She make you fly

And you know you're coming

Who all need it - who

Who all need it - you

Who all need it, who all need it (yes you do)

You all breathe it, we all need it

Are you ready for a good time

Then get ready for the night line

Are you ready for a good time

Then get ready for the night line

Are you ready for a good time

She making eyes

At everything she meet

Ain't it a crime

When she make you pump heat

She make you fly

Because that's her thing

She make you dry  
And you know you're broken in

Who all need it, who all need it (Yes you do)  
You all breathe it, we all need it  
Are you ready for a good time  
Then get ready for the night line  
Are you ready for a good time  
Then get ready for the night line  
Are you ready for a good time  
Get with it

<Lead Break>

Who all need it, who all need it  
You all breathe it, we all breathe it  
Are you ready for a good time  
Then get ready for the night line  
Are you ready for a good time  
Are you ready for a good time  
Are you ready  
Are you ready for a good time  
I want a good time  
Are you ready for a good time  
Are you, are you ready  
Are you ready for a good time  
Good, good, good, good time  
Are you ready for a good time  
Are you ready, ready, ready  
Are you ready for a good time  
Are you ready for a good time
