

Who Made Who

(4x) w/echo

The video game says play me

Face it on a level but it takes you every time on a 1 on 1

Feeling **running down your spine**

Nothing gonna save your one last dime

Cause they know you

Through and through

The databank knows my number

Says I gotta pay cause I made the grade last year

Feel it when I **turn the screw**

Kicks you round the world,

There ain't a thing that it can't do

Do to you, yeah

Who made who, who made you

Who made who, ain't nobody told you

Who made who, who made you

If you made them and they made you

Who picked up the bill, when who and who made who

Yeah

Who made who, who turned the screw

Yeah

<Lead Break>

Yeah satellite send me picture

Get it in the eye, take it to the wire
Spinning like a dynamo
Feel it going round and round
Running out of chips, you got no line in an 8-bit town
So don't look down, no

Who made who, who made you
Who made who, ain't nobody told you
Who made who, who made you

If you made them and they made you
Who picked up the bill,
When who and who made who...

<Gtr Bend>

Ain't nobody told you,
oh,
who made who

<Gtr Bend>

Who made you,
who made who (Who made who)
And who made you (Who made who)
Yeah

<Lead>

Nobody told you
