

# Hell Ain't a Bad Place to Be

(no backing vocals)

Hey you, yeah you

Sometimes I think this woman is kinda hot  
Sometimes I think this woman is sometimes not  
Puts me down, fool me around  
Why she do it to me?  
Out for satisfaction, any piece of action  
That ain't the way it should be  
She needs lovin', knows I'm the man  
She's gotta see  
Pours my beer, licks my ear  
Brings out the devil in me

(2 count)

Hell ain't a bad place to be

Spends my money, drinks my booze  
Stays out every night  
But I got to thinkin', hey just a minute  
Somethin' ain't right  
Disillusion and confusion  
Make me wanna cry  
Oh the shame, you playin' your games  
Tellin' me those lies  
Don't mind her playin' demon  
Long as it's with me  
If this is hell, then you could say  
It's heavenly

(2 count)

Hell ain't a bad place to be

Late at night, turns down the light  
Closes up on me  
Opens my heart, tears me apart  
Brings out the devil in me

I said hell, ain't a bad place to be  
I said hell, ain't a bad place to be  
I said hell, ain't a bad place to be  
I said hell, ain't a bad place to be
