

# Hell Ain't a Bad Place to Be

(no backing vocals)

Hey you, yeah you

Sometimes I think this woman is kinda hot

Sometimes I think this woman is sometimes not

Puts me down, fool me around

Why she do it to me?

Out for satisfaction, any piece of action

That ain't the way it should be

She needs lovin', knows I'm the man

She's gotta see

Pours my beer, licks my ear

Brings out the devil in me

(2 count)

Hell ain't a bad place to be

Spends my money, drinks my booze

Stays out every night

But I got to thinkin', hey just a minute

Somethin' ain't right

Disillusion and confusion

Make me wanna cry

Oh the shame, you playin' your games

Tellin' me those lies

Don't mind her playin' demon  
Long as it's with me  
If this is hell, then you could say  
It's heavenly

(2 count)

Hell ain't a bad place to be

Late at night, turns down the light  
Closes up on me  
Opens my heart, tears me apart  
Brings out the devil in me

I said hell, ain't a bad place to be  
I said hell, ain't a bad place to be  
I said hell, ain't a bad place to be  
I said hell, ain't a bad place to be
