

For Those About To Rock

yeah, yeah, oh yeah

We roll tonight, To the guitar bite

Yeah yeah, Oh!

Stand up and be counted

For what you are about to receive

We are the dealers

We'll give you everything you need

Hail, hail to the good times

'Cause rock has got the right of way

We ain't no legend, ain't no cause

We're just livin' for today

For those about to rock, we salute you

For those about to rock, we salute you

We rock at dawn on the front line

Like a bolt right out of the blue

The sky's alight with a guitar bite

Heads will roll and rock tonight

For those about to rock, we salute you

For those about to rock, we salute you

For those about to rock, we salute you, yes we do

For those about to rock, we salute you

Oh, salute

We're just a battery for hire with a guitar fire

Ready and aimed at you

Pick up your balls and load up your cannon

For a twenty-one gun salute

For those about to rock, fire, we salute you

Oh, for those about to rock, we salute you

Those about to rock, fire, we salute you

Fire, we salute you

Weeeeeeeee ssssssssalute youuuuuuu, c'mon

For those about to rock, we salute you

For those about to rock, we salute you

For those about to rock, we salute you

For those about to rock, we salute you

Shoot! Shoot!

Shoot! Shoot!

For those who give, for those who take

Those on the line and those on the make

We salute you, yeah

We salute you

We salute you

We salute you

Fire!
