Hell Ain't a Bad Place to Be

(no backing vocals)

Hey you, yeah you

Sometimes I think this woman is kinda hot
Sometimes I think this woman is sometimes not
Puts me down, fool me around
Why she do it to me?
Out for satisfaction, any piece of action
That ain't the way it should be
She needs lovin', knows I'm the man
She's gotta see
Pours my beer, licks my ear
Brings out the devil in me

(2 count)

Hell ain't a bad place to be

Spends my money, drinks my booze
Stays out every night
But I got to thinkin', hey just a minute
Somethin' ain't right
Disillusion and confusion
Make me wanna cry
Oh the shame, you playin' your games
Tellin' me those lies

Don't mind her playin' demon
Long as it's with me
If this is hell, then you could say
It's heavenly

(2 count)

Hell ain't a bad place to be

Late at night, turns down the light Closes up on me Opens my heart, tears me apart Brings out the devil in me

I said hell, ain't a bad place to be I said hell, ain't a bad place to be I said hell, ain't a bad place to be I said hell, ain't a bad place to be
